The Hughson Youth Football and Cheer program will have a minimum of 5 home games this season. You will be **REQUIRED** to attend and work all home games. (You might miss your child playing or cheering at home games). This is a commitment from approximately 9am to 10pm for each and every home game. No **EXCEPTIONS!** Your participation may also be needed at away games to count plays, etc. All board members are needed as well to help with set-up and clean-up, working in the snack bar at home games and at practice. Please be prepared for a busy but very fun 2021 season! We hold meetings all year long. Without parent participation we will not have a program to run!
